**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is critical for firms such as Sonic.net (my ISP) to continue to have access to last mile copper and fiber lines in order to have a continued competitive internet environment.

Sonic also provides a very competitive telephone service allowing unlimited domestic long distance and toll free international calling.

I do not want to get stuck with only two providers (Comcast & AT&T) which was my previous case.
