**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,
Competition is good. Please let Sonic have the ability to compete.

Sonic is the only ISP that truly cares about their customers, and it shows. I imagine that Comcast and AT&T have been lobbying against this, but trust me when I say this is solely for profit, not for any actual consumer benefit.

I want to be able to actually have a choice in my ISP. Please let me.
