**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Affordable Internet availability is essential for our family. Without it, our children would struggle to complete assignments, communicate with their teachers and fellow students. Please don't make it a monopoly, where people will be unable to afford internet access, and their children will struggle.
