**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is writing to support broadband competition. Broadband competition is the only way many small businesses can survive. As a small business owner and sole proprietor, I am opposed to broadband monopolies and to any action that will increase the cost of internet and telephone services.

Sincerely,

Carlo Carraro
