**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. It is imperative to have multiple providers of broadband service. Anything else is monopoly. "... AT&T and their trade association, US Telecom, have recently petitioned the FCC to take away access to critical unbundled network elements..." I strongly oppose your acceding to AT&T's monopolistic craving. I and my partners use the internet 7 days per week. We will not survive if you take away broadband competition and leave nothing but AT&T.
