**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I run my business out of my home here in San Francisco, using broadband DSL to perform much of my work. I need choices in broadband providers in order to keep up the quality of ISP service and keep down the cost.

AT&T and their trade association, US Telecom, have recently petitioned the FCC to take away access to critical unbundled network elements. This is an anticompetitive move and will eventually harm me and my business.

Please deny ATTs anticompetitive move.
