**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'd worked for AT&T 32 years before retirement.  
I had them as my phone company and internet for so many years.  
However they were awful and kept charging me for things I did not have or agree on. The service  
wasn't all that great.  
I disconnected from AT&T a couple years ago and am happy now.  
Sonic has continually met and exceeded my expectations.

Sonic has been a great provider.  
I use the internet every day. I don't want to lose the provider that I have now.  
If we rely on the companies like AT&T then we're going to be taken advantage of.

Please keep the small companies alive and rein in the large corporations to keep the competition fair

Thank you
