**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not give in to the large telecom giants bid to curtail healthy competition. As a conservative I do not believe in monopolies. Healthy competition is the way only way. Allowing the proposed changes will limit competition and raise the cost for all end users without any positive changes to our service. So if you want to support corporate socialism, otherwise known as fascism go ahead and support the bill. America is watching.

Sincerely,
Justin Hauser
