**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because I was no longer able to afford AT&T for my business as well as personal use. I do not like having few options. Sonic was a better choice or my children and I would be forced to use the library for internet and only a mobile phone for your home as so many within out neighborhood do. Not being able to afford needed service leave my family feeling marginalized and taken advantage of.
