**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am strongly opposed to limiting competition for internet services. People should have as many choices as possible when it comes to this industry. Competition amongst his many providers as possible keeps rates down and keeps one provider from gaining too much financial and political power.
