**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my internet provider because they provide good customer service and a fair rate for services.

Sonic's broadband is critical for me as a self-employed business person: client communications....speed and reliability are crucial.

I also rely on and appreciate Sonic's telephone service. Again customer support, customer service and reasonable rates have made working with this competitive provider a welcome change over the last five years.....a change from one of the BIG 3 whose rates were exorbitant and customer service unsatisfactory.

Thank you for voting to keep broadband providers competitive and keeping rates reasonable.
