**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am living in a Senior Citizen's complex and am virtually house bound. At present I am on crutches because of severe arthritis in one hip. I do all of my shopping on-line. Without the internet, I would be almost totally isolated. I live on my Social Security (less that \$!400 a month) and, so far, I am managing but if I have to pay more for my service it would create more financial difficulties. Having my access to the internet slower and more expensive would make my life even more difficult.
