**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the proposal to take away access to unbundled network elements, fiber and last-mile copper connections from competitive broadband providers such as Sonic, of whom I am a satisfied customer. Far more satisfied than was with AT&T whose expensive and unclear pricing and mediocre customer service are no friend to the small business owner who relies on a reliable and fairly-priced broadband connection. Save competition in telecom, please.

Sincerely,

THOMAS GOLDWASSER
