**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband supporter and user of Sonic, a smaller broadband provider. I choose Sonic because I am tired of the monopoly of decisions when it comes to internet providers. I was a previous long time AT&T customer and no longer feel that they have my interests at heart, even though I am long-term customer. This competitive market for internet, broadband and telephone only serves to keep the larger companies in check and honest. I am a consumer and a business owner and I support broadband competition.
