**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! Please don't promulgate any rules that would reduce broadband competition. Please don't allow Big Telecom, such as AT&T, et. al. to remove unbundled service offerings. It still makes sense to single out the large carriers and make them share their networks with their competitors. These rules were created in environment where several huge network operators control the wired network, the same holds true today. In this regard, nothing has changed. Please DENY USTelecom's petition for Forbearance Pursuant dated May 4th, 2018. Thank you.
