**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our internet service was very inferior before we were fortunate enough to find out about Sonic. Without any competition Att ruled our internet providing little service and unpleasantness for high prices. Since our enrollment in Sonic, life is happier and smoother. They provide efficient excellent internet service. Competition is necessary to maintain a fair equitable playing field. Sonic does this for us and should be allowed access to continue providing their excellent service.
