**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been with Sonic.net for many years. I was originally a AT&T subscriber, however I have lost trust with AT&T and Comcast because of invasive misuse of my personal data mining; what I can and cannot view; which services I wish to utilize and the competitive pricing structure, which includes unlimited data. AT&T and Comcast would dismantle these services. Furthermore, without Sonic.net, there would be no competitive technologies available anywhere in my city.

I look forward to the day that fiber is available. I am confident AT&T will not be the one providing it. Without competition, there is no reason that they will undertake that expense.

I need Sonic.net to survive, and they will not with pricin increases.
