**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast lost my business due to rate hikes. Now I get a notice from Sonic (who took Comcasts' place) that AT&T is about to cut off Sonic' access. It's pure Greed that inspires companies to charge higher rates. Those Big Companies don't need the business, they enjoy killing the competitors. At my age, my paycheck, I don't need rising costs. In fact, I need lower costs for my phone and internet. Don't let this fall on deaf ears because "we the people" need a break in costs especially phone, internet, gas and electric where there are few companies that control the needed products.

Sincerely,
Mary Ann Soltis
