**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of local broadband providers, Sonic. I support broadband competition. I do not want to be beholden to one, large, corporate broadband provider. I want competition amongst broadband providers so that they are competing to provide me with the best service, price and customer relations. This is important to me, my family, and those in my community.

Thank you.
