**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow sonic to continue providing the quality service that they provide us now. I myself am a small business owner and rely on broadband competition to run my business please don't let major corporations take over the internet world. AT&T does not even come close to the customer service of sonic internet. Thank you for listening and I hope you make the right decision.
