**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe that America's economy is strongest when small businesses and medium sized businesses can fairly compete with big business. Please do not hurt broadband competition for internet and telephone service. Thank you. I have been using a smaller company for several years now and their service has been much better than when I used one of the big players.
