**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I cannot believe I finally found an Internet service that is not out to take every last dime I have. Sonic uses a t & t equipment and is now in danger of losing access to their fiber optics. A T@T and Comcast (my only choices) not only have terrible customer service but have raised their prices so high that it is becoming impossible to keep up and stay on budget. Please protect competition for those of us with limited income.
