**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is ridiculous for the center of technological innovation in the world to have expensive and unreliable internet service. Competition is a must! Pathetic to go to Europe and envy their internet speeds. I have both DSL and phone-over-IP provided by a small, competitive, highly customer-oriented service. I want to keep it that way.
