**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep broadband competitive. Its the essence of healthy capitalusm and essential for consumers to get the best product at the best price. Big companies without competition will gouge consumers as a matter of course, with no regard to public good. Only oversight and competition can ensure a fair market price for sevicees. Thanks, L Godwin
