**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't let AT&T cut off the use of their copper wires by third party ISP and phone providers. I am a customer of Sonic, which uses AT&T copper wires to provide DSL service. My current Sonic service is more reliable and cheaper than AT&T over the same copper wires! That's the way competition is supposed to work.

Please continue to support competition in the marketplace.
