**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, Dont let the big guys like AT&T cut off my access to my internet provider. I hate AT&T they are over priced and their customer service is awful. I also changed my wirless from AT&T for the same reason. I have had Sonic.net for over a decade and I will never use AT&T if you limit access over copper then I will not have any broadband. More specifically I would choose not to have any broadband if I dont have any choice other than AT&T. I am waiting for the day when I can get gigabit fiber to my house from a provider that I can choose based on their customer service and business chioces. Dont stifle competition.

Kind Regards,
