**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the heart of America. Please don't make it impossible for smaller companies to compete.

Prices are already too high for people like me, retired, living on social security and with limited resources. Please don't cause higher prices by eliminating broadband competition. Internet and phone, especially phone, are critical necessities for me.

Let Sonic compete and work for us.

William Clark
