**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I chose my current provider (Sonic) because they were locally based and I did not desire to use the abysmal services of the large telecom (ATT) or cable provider (Comcast) Who have unfair monopolies and stranglehold on the market.

Competitive broadband is critical to my family's education and I demand that you maintain competition and fair prices among the providers. I have had DSL, but now enjoy fiber through Sonic and wish to continue using their services.

Please do not take away access to critical bundled network elements.
