**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in full support of Broadband competition

Too many of the telecom GIANTS are ruling how we access internet and their prices are always on the rise...

Local broadband providers are critical provide services to rural communities and to help keep the prices "in line"

Too many of us are at the mercy of the "big boys"
