**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net long ago because I support local infrastructure. It is my preference that all the lines and infrastructure in and around my properties and connected to the rights of way I support with my property tax dollars be open for use by all internet providers not just ATT or other "originators" who's only claim is that they were "first" - when of course we know they were monopolies!!!
