**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not let AT&T bully smaller companies out of business. I had AT&T for years and finally realized how over priced their service was and how unreliable they were (internet AND landline phone) and they never seemed to care for their customers. Is this the type company you people want to support? I realize that for politicians it's all about money and you are a political organization so I am most likely typing this and wasting my time.

I am nearly 70 years old and cannot afford the prices AT^T and large companies charge for services. I chose Sonic because the pricing is FAIR, SERVICE IS GREAT AND THEY ARE MORE RELIABLE THAN AT&T EVER WERE.

Please let the small guys who are competitive stay in business!
