**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In today's world having reliable Broadband service is necessary to doing business. As an artist and teacher I rely on the internet and appreciate working with a local company that provides excellent service at competitive rates.

When I need technical support it is immediate, effective, and serviced locally.

I am against Deregulation which will benefit only large companies and decrease competition.
