**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am for broader competition of internet service providers, and am therefore concerned about US Telecom petitioning to take away access to parts of the network. We should be pushing for more access and competition, not less. Fast, affordable internet is key to educational opportunities and economic growth.

thanks,
Dennis
