**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important that you allow competition for residential internet providers. Without it, we would be stuck with price gouging companies like att, Verizon. We are also tired of price hikes from these companies. Please do the right thing and allow more internet providers to compete in the market such as Sonic to expand their fiber optics infrastructure.

Sincerely,
