**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I say NO to price hikes that will increase the cost of internet and telephone services. There also needs to be more competition in the market, instead of just two providers that are hard to deal with. Broadband is critical to my business, I don't know how I would get work without it. It's how I connect with my clients!

Thank you,

Michelle
