**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an email user from my home as well as my business. I very much support broadband competition which is as American as apple pie. I used to be with the large companies, having previously used AT&T and Xfinity but found what they offered to be too expensive and limited. I now contract with a small company I can afford.
