**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe that equal access to the internet is essential for our community wellbeing and worldwide competitive opportunities. The proposed revocation of net neutrality is anathema to these beliefs. It is also unfair to all of us who cannot afford to pay a premium for faster service. We all deserve competitive access to the fastest available service. Please restore equal access for all individual users, homes, businesses and schools.
