**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a local competitive provider and been a customer for over 25 years. They provide excellent service and rock solid components. Within twenty minuets I can drive to corporate headquarters if I have an issue something I cannot do with people from large company's like ATT. Please do not let ATT control my access to the internet. They will raise the prices and provide lousy service just like their phone product.

Regards,
