Per provided documentation, the Form 471 Application #171040818 for Child Care Resource Center was filed late due to an issue with EPC automatically attaching entities that were not listed to the FRNs per the attached client services communications. USAC redirected issue to a different group on 6/22/17. A work around to the issue was communicated on 6/23/17. The organization's Form 471 application was submitted and certified online on June 26, 2017.

¹⁰ For FCC Form 471 application numbers 489285, 821891, and 875656, we deny the requests to review of the FY2005 Funding Commitment Decision Letter (FCDL) (dated Feb. 15, 2006), the FY2011 FCDL (dated Feb. 21, 2012), and the FY2012 FCDL (dated Oct. 2, 2012) as untimely. In addition, we deny the requests to modify the service start dates for the FCC Forms 486 for application numbers 691322, 769113, and 821891 as the requests were filed more than 60 days after the dates of the FCC Form 486 Notification Letters (dated Dec. 27, 2012 and Oct. 2, 2012) and are untimely. *See, e.g., Requests for Review of Decisions of the Universal Service Administrator by Agra Public Schools I-134 et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 25 FCC Rcd 5684, 5685, para. 3 (WCB 2010) (*Agra Public Schools Order*); *Requests for Waiver or Review of Decisions of the Universal Service Administrator by Bound Brook School District et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 29 FCC Rcd 5823, para. 1 (WCB 2014) (*Bound Brook School District*) (denying appeals on the grounds that the petitioners failed to submit their appeals either to the Commission or to USAC within 60 days, as required by the Commission's rules, and did not show special circumstances necessary for the Commission to waive the deadline). For the requests for waiver for FYs 1998 (application numbers 30571, 64254, 85219, 31423), 1999 (application number 148960, FRNs 288563, 288565, 288567, 288584, 288575), 2000 (application number 190290), 2006 (application number 538951), 2007 (application number 586757), and 2008 (application number 637629), we find that the request for an invoice deadline extension is more than 12 months late and does not present extraordinary circumstances. *See, e.g., Requests for Waiver or Review of Decisions of the Universal Service Administrator by Hancock County Library System et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 30 FCC Rcd 4723, 4726, para. 9 (denying requests for invoice extensions from funding years prior to 2014 that failed to demonstrate "extraordinary circumstances" that would justify filing invoice extension requests more than 12 months late). We also deny the request for a second invoice deadline extension for application number 821891 that was filed seven months after its latest deadline because Sno-Isle offers no basis on which to find that the delay in invoicing or seeking an extension was reasonable. *See, e.g., id.* at para. 10 (finding that employee misunderstanding of the E-rate invoicing procedures does not present extraordinary circumstances, nor offer a reasonable basis for a substantial delay in submitting invoices). We make no finding as the ultimate eligibility of the four applications for which we allow a late-filed FCC Form 486. *See supra* note 6.

²⁴ To be able to grant the changes it requests, Gallup-McKinley County Public Schools should have appealed either of the following USAC decisions within 60 days of the issuance of the decision in question: 1) the February 23, 2005 USAC Administrator's Decision on Appeal reducing the funding from \$1,537,125.00 to \$1,136,072.10 (a reduction of \$401,052.90 in E-rate funding) to reflect the removal of illegible services from the funding request; or 2) the December 30, 2005 Supplemental Form 471 Application Approval Letter reducing the funding \$96,697.80 to reflect a service substitution. We also find no special circumstances to merit a waiver.
