**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition and bridge 2 broadband. I moved to an area that has a competitive market (thank goodness!) from an area where one company had a monopoly, and it was miserable how I was taken advantage of by a company that had no competitors. Customer service was poor, and issues were not resolved because there was no incentive through competitors. Please allow me to continue to have hassle free internet service, a service made possible by a market with competitors.
