**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have excellent service with a competitive carrier. They can answer my question promptly and they act as though their business depends--as it indeed does--on my satisfaction. New services are available to me at my low rate and I don't have to do anything! I'm in an unusual position--I like my ISP. But it's an ISP that depends a competitive landscape. I might be able to handle higher fees, but the other customers probably would not, And I don't want to give up the level of service. My provider is put at risk by this legislation, and if I have to switch, or pay significantly higher fees, I'll remember in November.
