**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband and I am fully and only committed to a competitive broadband internet market.

I am totally dependent on broadband internet for my work and my entertainment.

I am also dependent on a competitive provider for telephone service.

I am totally against any move toward limiting competition that ATT's proposal would produce.

As a U.S. citizen, I rely on the FCC to foster competition.

Please say no to ATT's proposal to limit competition.

Thank you
