**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net, a competitive provider because their rates are competitive, user-friendly services are excellent without compare, and they hire local people to staff their call centers.

Please make sure there is always competition for broadband. I am never going back to the old days of telecom / cable monopoly.
