**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am, not only a consumer, but a small business owner in the real estate industry and I support broadband competition. Competition is VITAL to the consumer and, without, competition, we will see increased price hikes while the quality of the service will go down.

Broadband is critical to my industry, real estate, for obvious reasons. It is important for our nation and our people to not be stuck with only one or two huge corporate providers.

Thank you!
