**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live out in the boonies,. For years AT&T did nothing to provide high speed internet.

Then SONIC based in Santa Rosa, CA, came along and provided me and my neighbors ADSL+
over the under utilized "copper" of AT&T.

What a difference, high speed internet at a price I can afford, without Broad Band competition, this
would not have been possible or even done

keep the playing field open to all!

sincerely,
