**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Monopolies are bad for everyone. We use Sonic because they are fast, inexpensive and have better customer service than AT+T. We cannot afford to pay more for internet and phones. Please do not let big telecoms dominate and monopolize the industry. Haven't you already done enough damage and put enough money in big companies pockets by getting rid of net neutrality?
