**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need the bridge to broadband because major corporations have taken affordable and open access to internet information for families and students away. As an organization designed to protect the people, its your duty to assure that the citizens of the United States are protected from the fleecing of it s people!
