**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Comcast, Verizon, and ATT are the primary providers in the Bay Area and none are as affordable or more customer-centric as Sonic.net. Quality internet access is essential to my career and everyday living. Without local broadband providers I would have been forced to pay extra for lower quality services.
