**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The big internet bundling providers have us under their thumb, which is why we moved to Sonic many years ago. This country is supposed to be CAPITALIST and yet it seems that there is less and less competition for our business and prices are not as competitive as they should be. The Internet has become essential in everyone's lives, and we need an internet that is affordable and reliable. We are looking forward to fiber connection...this is the Bay Area and capital of the Tech World, after all, we should have the BEST and MOST AFFORDABLE possible!
Please FCC hear us... COMPETITION is necessary to good business for all!

Thank you,

Leslie Sullivan
