**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support broadband competition because our experience with AT&T was very unsatisfactory mostly due to poor customer service. Until some competition came in we had no choice but now we get better and faster service at a lower cost.

We also want broadband at our cabin but AT&T is the only provider and has no plans to offer DSL. We can't afford satellite service so we are stuck with dial-up which is inadequate for today's web sites and online services.

Please protect and encourage competition.
